

LOGISTICS IS AN
IMPORTANT PARAMETER

DEAR EXHIBITOR!

We are the official forwarding agent at MCH – Messe Center Herning, and can offer you loading and unloading of trucks, storage of empties and freight import/export.

We recommend you planning your transport, storage etc. as soon as possible, and we therefore ask you to contact us so that your goods can be delivered in a timely manner on your stand.

Use us for your exhibition planning, and we can take care of the following:

- Booking of transports.
- Coordination in the exhibition area for truck unloading
- Unloading and delivering your goods directly on the stand
- Collecting empties directly from the stand, store, and returning directly to the stand

**Order your freight, forklift assistance or storage of empties on mail:
lv@sandspedition.dk**

Phone +45 97 14 51 00

We are on site at the fairground, and our office is located between hall D-E

Best regards
SAND SPEDITION A/S
